

VLTSensing
in the **VL** era II

Wrap-Up

- A lot of new ideas (Blue Shack, g-OD, Ingot)
- And pls note that some are not even shown at this WorkShop (Flat Pyr, Axicon...)
- A lot of Pyramids (and not yet another modulating one...)
- Msg for the youngest: The pyr (this last century old fashioned WFS) is the WFS to beat...!!!
- Are we at the verge of a new boiling era in AO...???
